Schools, PTAs & Non-Profit Organizations have been using Djextreme.com for years to provide fun, safe, exciting entertainment for all their special events. Fully licensed and insured founder, Nick Covino, (Dj Extreme) has built a reputation that schools love and continue to call on.

Some of our services include the following:

- DJ for school dances, Father Daughter events, school picnics, Parents' Night Out, school carnivals.
- Sound systems for Variety / Talent Shows, school plays, awards banquets, Promotions, end of school year events.
- Photo Booths: Great fun for every type of event!
- Video recording including DVD duplications, video editing, online video streaming, still photography.

From one of our Loyal PTA Presidents:

"Nick is always my first call when in need of a DJ, AV Service and/or photo booth rental. Whether it's a kids party or a large, special event, his company is professional, reliable and knows how to get a party started! After 10 years of working with DJ Xtreme on our community events, school dances and theater projects, I wouldn't work with anyone else."

- Nancy Halladay, PTSA President & Social Committee Chair.

From one of our Student Council Advisors:

For the past 10 years, we have been able to rely on the professional services provided by DJ Xtreme. The students have loved his music and as an adviser I have loved knowing that the music will be appropriate.

- Terry V. Student Planning Committee Chair
